Charging up the hill, one of the many riders taking part in the annual hill climb championship held Sunday in Wilberforce crests the hill. A wide field of participants, mostly from the United States, and a crowd of over 4000 was on hand for the day. For more details, please turn to page 15.

Council backs museum stand

A resolution endorsing the stand taken by the Haliburton County Council with regard to the Kanawa International Canoe Museum has been passed by Anson, Hindon and Minden council. The endorsement came at the August 11 meeting.

Presented by Councillor Pat Burk, the resolution backed the suggestion offered by the county council that the museum be relocated to the Frost Centre on Highway 35, just north of its present spot.

The council also voiced its approval of a letter to the editor written by Councillor Burk. The letter reads as follows:

Editor:

A resolution of County Council meeting held June 22, 1983 reads: "That Haliburton County support the retention of the Kanawa Museum in Haliburton County with a proposed new site being the Frost Centre, and that the Warden and the Reeve of Stanhope pursue this matter with the appropriate Ministries."

Let us all get behind our County Council and support this resolution. Write letters to our MPP John Eakins; write letters to our Editors; write letters to our MP Bill Scott; write letters to your individual

(More on page 4)

Closing by-law quashed

The municipal council of Anson, Hindon and Minden has decided not to close a road allowance leading to Soyers Lake. The decision to abandon plans to close the road allowance was taken at the August 11 meeting of the council.

The township had advertised the road closing in this newspaper. Notification of the closing drew a number of objections from area residents, including Alex Little who appeared before the council with a petition containing 36 names. "I could have got more," he told the meeting. "Only I was told the council had changed its mind about closing the right of way, so I stopped collecting names."

Little said he would like to see the unopened roadway remain in public hands to provide access to the lake. Ray Woodward, who was also in attendance, agreed with this observation. He said the allowance provides access to the lake which is used by people who do not own lakeshore property. He suggested the council should develop a beach at the location. "Why isn't there a park on Soyers Lake?" Woodward asked. "There are a lot of people who would like to have access to the lake."

Deputy Reeve Ed Pergolas wondered if the resident was seeking just a boat launch or a park. He said that these facilities often result in parking problems, litter and sanitation concerns. He noted the municipality was planning to open a new park on Twelve Mile Lake and said the washroom facility

would have to be a cement block building to help reduce the amount of vandalism.

Reeve Lyle McKnight suggested that if the ratepayers had some suggestions for a park development at the location, they should prepare a plan for consideration by the council.

Objectors find doors locked

The announcements which appeared in this newspaper and in notices posted in the area indicated the meeting would take place at 7:30 p.m. August 11. The meeting had been scheduled to hear objections to the closing of a municipal road allowance leading to Soyers Lake.

However, when three property owners in the Soyers Lake area turned up at the municipal office at 7:30 on the evening in question, the doors were locked and there was no one there to greet them.

The matter had been dealt with during the day meeting of the council at which time it was noted that the notices indicated the evening meeting. Clerk-treasurer admitted to placing the advertisements indicating the 7:30 p.m. meeting because she was uncertain of the council's schedule.

While the matter appeared to have been dealt with, during the afternoon, to the satisfaction of the three who attended the evening meeting, that did not take place, they all expressed frustration and annoyance of coming to the municipal office and finding it closed. "I thought things were going to change with this council," one of those in attendance commented as he turned to go home.

Property sale

The sale of a piece of property, adjacent to the road allowance, by the municipality was also questioned. The matter was raised in a letter written by the Soyers Lake Property Owners Association.

(A report on the contents of the letter and the reeve's reply to a series of questions it contained, was included in last week's edition of The Times. Interestingly, while the newspaper received its copy of the letter before press time last week, the municipality had not received the original in time for the Thursday meeting.)

Using the copy of the letter sent to the press, the reeve responded to the questions as outlined in last week's report.

Councillor Gary Kenney commented on several points covered in the letter, noting that he did not feel the council was obligated to advertise the sale of the land in question by tender since the land was part of larger agreement in which the township traded two pieces of property and an amount of cash for the property next to the Canadian Imperial Bank of Commerce in Minden. The trade was

(more on page 6)

Balloon travels 350 miles

How far can a helium-filled balloon travel in 30 days?

If the contest held during the Stanhope Air Show July 10 is any indication, it is about 350 miles, and due south at that.

During the annual fly-in, the committee sponsored a tagged balloon release. The tags asked the finder to return the note to the municipal office in Stanhope. The one received from the farthest distance away from the airport would result in a cash prize for the sender and the finder.

During the day, seventy individuals paid the one dollar to let a balloon drift off into the sky with their number attached. Only three were returned by the deadline, August 10.

Surprisingly the first came back just a few days after the day of the air show. It was the balloon released by Stan Moore, coincidentally a member of the Stanhope Airport Committee. His tag was returned by a J. Hurley of Scarborough who found the balloon near Ennismore.

The second tag to be returned was found near Cavan. The balloon was sent aloft by Jesse Barnett of Oakville.

It was the third tag received which earned the prize. It arrived several days before the deadline. Craig Connelly, of Milton, was the person who let the balloon go at Stanhope. It was found by a six year old child at Shinglehouse Pennsylvania. The finder was Richard Fenner of Jewett City, Connecticut who was vacationing in the area with his family. His father wrote, "Richard was very excited to have found something that floated all the way from Canada."

The finder will be even more excited when he discovers he will receive a \$20 prize for being the person who turned in the tag which had travelled the farthest in the allotted time. Craig Connelly will also receive \$20 for being the person who launched the winning balloon.

Airport Committee secretary Pam Rolfe commented that it was fun competition and it was interesting to see where the balloon had drifted. She pointed out that the community where the winning balloon was found is due south of the Stanhope airport.

ANNOUNCEMENT

286-3124

Bill Payne Estate Ltd. has opened its new office on Highway 35 at the south entrance to Minden.

To all of you wonderful people who have supported me over the past 25 years in the electrical contracting business, my sincerest thank you and I wish to continue to serve you in your real estate needs for which I have been licenced for the past nineteen years.

With my extensive knowledge of Haliburton County, the building trades, and the real estate market, I can offer you a wide range of experience and services.

I am here to help you in selling your property, selecting property for you, appraisals, help with mortgages, leasing agents, generally all of your real estate needs.

I will continue to work along with Clarence McInerney in offering a complete package. Below are just a few properties that we are offering for sale.

The fall market is coming on very quickly, we need more listings to look after the requests we have for properties.

Please give me a call and let me help you with your real estate needs.

William Payne, President

MINDEN - 3 bdrm. home, 1 acre land - \$44,900.
GULL LAKE - 550' Sandy Shoreline - 5 acres - 500' highway - \$39,000.

MINDEN - Building lots - 3 lots, 1 with stream - \$4,900 each.

MINDEN - Building Lots - town water and sewers - \$5,900 each.

MINDEN - Solid cement block building, suitable for garage - Commercial.

MINDEN LAKE - Commercial - cottage business - \$69,000 (Terms)

FURNACE FALLS - 1 mile shoreline - 200 acres - a steal at \$75,000.

CRYSTAL LAKE - Special of the Week - 3 bdrm. cottage - fully furnished - aluminum siding - insulated - many extras - \$19,900.

TENNYSON ROAD - 5 acres - wooded flat lot - \$11,900 - year round road.

MINDEN AREA - Executive Home - Sunken living room - pond - acreage - two bay garage - insulated workshop - broadloomed throughout - overlooking Mountain Lake - \$94,000. Terms.

TWELVE MILE LAKE - Commercial - several buildings - acreage - \$80,000 excellent terms.

BRIDGENORTH - Restaurant - under L.C.B.O. - excellent return.

MOORE LAKE - Building Lot with ROW to Lake - \$17,500.

HUNT CAMP - Anson Township - This camp has produced tremendous results over the past number of years. Priced to sell at \$15,000. Two buildings on property, cottage and twenty bed camp and cook house.

GULL RIVER - Building lot near Minden on Gull River. \$13,000.

SNOWDON - Highway frontage acreage - severed lots and larger acreages. Priced to sell to the satisfaction of the buyer.

STOUFFERVILLE - Excellent building lot in very popular area. \$7,500.

CARNARVON - Commercial/Residential - 3 bdrm. Home and business - excellent location. Asking \$65,000.

LITTLE KENNISIS LAKE - 150' shoreline complete with road in and cabin on property. Hydro in. Priced at only \$19,500 and you can get terms as well. Year round access.

KASHAGAWIGAMOG LAKE - 200' shoreline - southern exposure - \$25,000.

SASKATCHEWAN LAKE - Winterized cottages (2) very well designed - suitable for large family or two families. Complete kitchen and facilities in each building. Year round access. \$59,900.

VANKOUGHNET ROAD - 20 acres prime bush with entrances into property. Priced at only \$14,900. Approx. 500' on Highway.

BRADY LAKE - Excellent cottage lot - southern exposure - sand beach - flat with a few trees - road into lot - \$12,000.

LOON LAKE - 50 acres - 300' sand beach - pond on property - stream through lakefront lot - hardwood bush - \$17,900.

MINDEN LAKE - 2 bdrm. Home - beautifully decorated - walk out basement to white birch lot finished with a shallow sand beach. Rec room complete with bar and air tight stove, with winding staircase to kitchen, which has new counters and cupboards. All this for \$42,500.

WEST GUILFORD - 3 bdrm. 1 1/2 storey home with a large lot and garden, single car garage, just \$29,900.

HWY. 35 - 2500 sq. ft. home - 4 bedrooms (possible 6) large basement, 2 store fireplaces, plus bait shop 30 x 26, garage 16 x 26 on 1/2 acre; just south of Carnarvon Bait. Business nets excellent profits. \$15,000 - 20,000 down. Vendor will hold mortgage at 12%.

CRANBERRY LAKE - Cottage \$36,000. Terms. A large 32 x 24 and 2 decks, 3 bdrms., inside plumbing plus a cabin 8 x 16 on 200' lakeshore on 1 1/2 acres, accessible year round road and but a short distance to Sir Sam's Inn and Alpine Skiing. Terms.

CRANBERRY LAKE - 150' lakeshore lot with 1 1/2 acres, nicely treed, accessible all year. \$11,900. Close to Sir Sam's. Terms.

TWELVE MILE LAKE - 110' lakeshore lot accessible all year for home or cottage. Close to Hwy. 35. Sandy shore safe for tots. \$24,500. Terms.

DYSART TWP. - 100 acres, Lot 5, Conc. 9, \$12,000 just reduced from \$15,000. In the heart of deer country.

LUTTERWORTH OR DEVIL'S LAKE: Reduced to \$29,000. 200' lakeshore, accessible all year, inside conveniences, boathouse, safe beach. Terms.

BRADY LAKESHORE LOT - 140' of lakeshore on popular musky lake, accessible all year. Terms.

HORSESHOE LAKE AREA - 2 acre lot with panoramic view of the lake. Nicely treed. \$6,000.

KUSHOG LAKE - with access to lake. \$9,000.

SOUTH LAKE - 150' lakeshore and 167 acres. \$55,000 parcel is well treed with possible severances with 1/2 mile frontage on twp. road - adjoins Crown land.

MINDEN VILLAGE - 2 adjoining lots, each 66 x 165 - with sewers and water. Both for \$9,000.

LAKE OF 3 BROTHERS - \$22,000 small cottage and cabin on 150' of lakeshore. One half mile from Hwy. 35.

LAKE OF 3 BROTHERS - Log cottage, and boat-house on 160' lakeshore, 400 yards from West landing.

WALKER'S LAKE - 6,000' of lakeshore on 40 acre lake and 200 acres on year round road. Park-like property stocked with rainbow trout.

For 25 years, Modern Electric has been serving the Haliburton County and District in the electrical contracting business.

I am pleased to announce that Warren Payne and Wayne Fawcett have taken over the responsibility of continuing the operation of William Payne & Son Ltd. (operating as Modern Electric).

Both have a wide knowledge of the area and will continue to give you service with a smile. Remember, that old fashioned service, combined with modern techniques equals the best service available.

Although Wayne has only been in this area for the past five years, he has made many friends with his courteous attitude and will continue to give you the best service possible.

Warren was raised in Haliburton County and has been associated with Modern Electric from the time he could carry a lunch pail.

I wish to extend my best wishes to Warren and Wayne for a continued prosperity in the electrical contracting business and trust you will extend them the same courtesies.

William Payne

Municipality begins official plan study

Preparation for the Anson, Hindon and Minden official plan has begun.

The township council met with Robert Lehman, the consultant who is assisting the municipality with the preparation of the plan, at its regular meeting August 11. The consultant outlined the details of the proposed study, presenting a flow chart showing when various stages of the study would be completed.

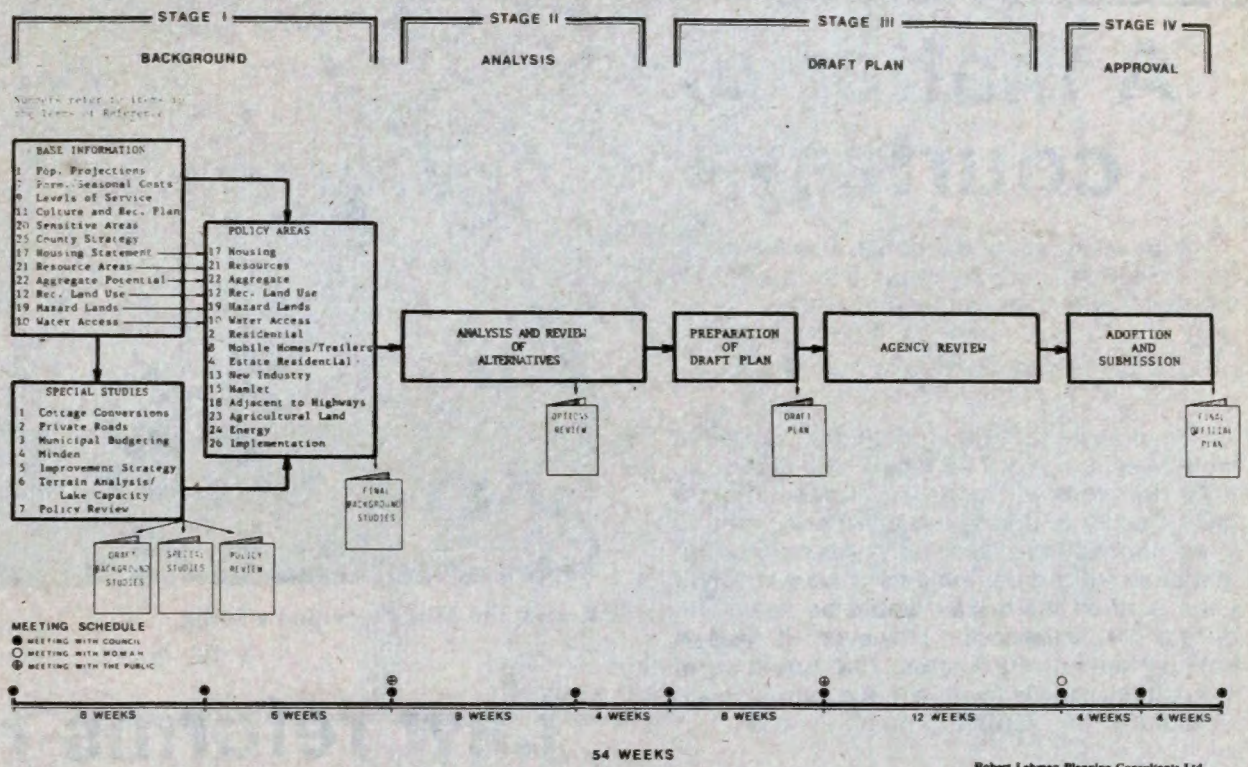

The chart indicated the study would take about 54 weeks to complete and require a number of meetings, including two public gatherings at which the ratepayers will be able to provide input on the study.

The Robert Lehman Planning Consultants Ltd. are carrying out the study for the municipality at a cost of \$29,830.

The council was told by the consultant that the maps which will be created by the study will not be as detailed as those drawn up for a zoning by-law. He also noted that separate mapping will be provided for the three townships in the municipality.

The meeting was to have included representatives from the Ministry of Municipal Affairs and Housing, however the staff from that department was unable to attend due to a car accident.

The chart at the right is the schedule being followed by the consultant in preparing the official plan for the community. Details of the public meetings will be announced as the dates approach.

New beach planned for 12 Mile

A new beach will be developed on Twelve Mile Lake to help relieve pressure on the existing beach and a second, illegal, beach established farther north on the lake. Details of the development were made public at the August 11 meeting of the Anson, Hindon and Minden township council.

According to information given at the meeting, a beach off the Petersen Road has been appropriated by the public even though the property is private. According to clerk-treasurer Elinor Burke, the popularity of the area has caused parking, litter and sanitation problems. Neighbours in the area are also complaining about the mess left behind by visitors to the beach.

The municipality agreed to post signs at the private property indicating the area is not open to the public and directing visitors to the boat launch at the bridge between Boshkung and Little Boshkung lakes or the other public beaches on Twelve Mile Lake.

The newest beach will be established just south of the

present facility, close to Highway 35. The area, part of what is known as the Bisset Subdivision has been designated public park land for a number of years. While swimmers have used the beach in the past, formal

development, with parking and sanitation facilities, has not taken place. The council hopes the actions will eliminate similar problems on the beach off the Petersen Road.

The idea of developing the second beach has received

the backing of the Carnarvon Area Residents and Cottage Owners Association. The group sent a letter to the council backing the proposal.

Work is expected to start on the facilities on the new beach within a month.

editorial

A matter of courtesy

Three members of the public who turned up for a meeting Thursday evening have a right to be upset with their municipal council. When they arrived the doors were locked and no one from the municipality was in attendance.

The notices for the meeting indicated it would take place at 7:30 p.m. The fact that the advertisements indicated a 7:30 meeting was even discussed during the afternoon meeting when the issue was resolved. It was pointed out at that time that the principals in the matter had been notified the matter would be dealt with during the afternoon. However, it was a publicly advertised meeting that could be of interest to virtually anyone in the municipality. It would be impossible to notify everyone.

The fact that no one was at the municipal office to explain the matter had been dealt with in the afternoon may not be a major issue in itself. Only a few people were inconvenienced, some may say. But surely people who have enough concern for the actions of their municipal council to attend a meeting, also deserve the courtesy of being told, by a proper representative, why the meeting is not being held.

Express yourself

Readers of The Times are invited to express their opinions on issues of local interest through letters to the editor. The letters to the editor section of the newspaper is one of the most popular forums for the exchange of differing points of view.

It is the policy of The Times that all letters to the editor must appear with the author's name. Only in exceptional circumstances will we allow a letter to appear over a pseudonym. We reserve the right to edit submission for length and will reject letters we feel may lead to legal action.

Letters to the editor can be sent to The Times, Box 97, Minden or left at our office on Main Street just north of the bridge in Minden.

Kermit and Miss Piggy find a friend.

Law reforms released

- by Bill Scott, M.P. -

On July 25th, the Minister of Justice and Attorney General of Canada released an information paper detailing proposed criminal law amendments. Reform of Federal Criminal Law has been long overdue. The existing laws have not been updated to reflect modern realities for many years. Hopefully, some of these amendments and the additional ones to be introduced later this year will aid in modern day crime prevention.

Many of the proposals are designed to improve procedures in criminal cases. One of these will provide a time limit of six months for the commencement of hearings in certain criminal proceedings. This is designed to ensure that trials are not dragged out by either side. I am quite in agreement with David Kilgour, M.P., our Caucus spokesman on Crime Prevention, when he stated that this provision, although potentially an aid to speedy justice, is also potentially a source of abuse. It is conceivable that a defense attorney could cause a serious injustice by delaying their clients cases beyond the six month period and thus causing an automatic dismissal of the charges.

Other proposals would place limitations on the discretion of prosecutors to the privacy of witnesses and the accused.

In response to a report of the Standing Committee on Justice and Legal Affairs tabled earlier this year, new offences are proposed to deal with computer crime. It creates an offence of willfully destroying or interfering with computer systems. It is high time that

specific legislation was written to acknowledge this new kind of theft of information.

In response to the public concern over recent incidents of aircraft accidents due to technical and personal errors, new laws are created in relation to aircraft. These include flying while impaired, criminal negligence while operating an aircraft, operating an unsafe aircraft

or operating an aircraft unsafely.

It will also, by this Act when passed in the fall, become a federal crime to fraudulently replace the odometer on motor vehicles. This is a further attempt at consumer protection against unscrupulous dealers.

On the whole, these proposals are sensible but I do worry about the abuses that may occur as I mentioned above.

coming up

Wednesday, August 17 - 2:30 p.m. - Rolling Readers Club party time at the library. Bring your list of books you have read and get your awards and goodies.

Wednesday, August 17 - Plottolders meeting, 7:30 p.m. in the United Church at Ingoldsby.

Friday, August 19 - Korn Fest and Talent Show Minden Community Centre 8 p.m. - 1 a.m.

Saturday, August 20 - The Agnes Jamieson Gallery presents a showing of the Andre' Lapine Collection of paintings and sculptures by George Pratt.

Friday, Saturday, and Sunday, August 19, 20 and 21 - Don't forget the Haliburton County Fair. See the parade, 12 noon Saturday.

Wednesday, August 24 - Peace Meeting at 8 p.m., Minden Community Centre (upstairs). Guest Speaker: Rev. Clarke MacDonald Moderator, United Church of Canada. Chairman: Dr. Norman Alcock. International Peace Advocate. Film: If You Love This Planet. Everyone welcome. Coffee and cookies served.

letters

(from page 1)

Councils stating your stand in the matter.

The Museum is in a beautiful natural setting now. However the approach is long and difficult, without good parking facilities. It is also not on the well travelled highway. This has proven a drawback by not drawing large groups to view the exceptional display.

Kirk Whipper has done a fantastic job of building up this Museum of canoes and craft from all over the world. Some of the craft have been used on our own lakes and by our own citizens here in Haliburton County. Let us show support too, to Kirk, and thanks for building this facility in our County.

The idea of spending 5 million dollars, some of it our money to build a huge garish facility to house the collection outside it's original situation I find appalling. Not only that, they will run at a deficit of \$188,000 in each of the 3rd and 4th years and \$143,000 thereafter.

The Consultants say that Peterborough has a "strong tourism base, availability of research facilities through the Trent University and the canoeing possibilities, which 'ranked below Haliburton's, but higher than most other considered'".

Haliburton County has top canoeing facilities, and we have our own tourists. Let's not give up an attraction, an educational display, built and nurtured in our own County to a larger centre that has more than enough to attract tourists now.

Please write your letters and state your opinion.

Patricia Burk

Dear Editor:

What is the town of Minden coming to in allowing a male stripper at the Rockcliffe Tavern? Who wants to have that kind of garbage in a nice town?

A few years ago, Coboconk had topless waitresses in a licensed restaurant and it was soon closed when the town passed a by-law forbidding topless waitresses or strippers in their town.

Also the village of Haliburton foresaw this eventuality and they too passed a by-law banning strippers last year. Minden council seems to be a bit slow in this regard. One must give credit to Dysart council for their stand on this subject.

I hope more people will write a letter to the Editor complaining of having this type of so-called entertainment in Minden.

Door Prize - Vicki Martin.
There were 37 exhibitors.

Illa Cooper's winning entry in the Oriental Fantasy class.

from the chamber

Hi there Bunkie! Are you young? Are you unemployed? Well have I got the answer for you!

The Haliburton Highlands Hospitality Training Centre is still accepting applications for their fall session. In the fall session beginning September 19th you can learn to be a bartender, waitress, chamber maid or cook. As an added bonus you are paid while you are participating in the nineteen week course. Our first group of graduates will be graduating shortly and already are receiving several job offers. If you are unemployed now you could be highly employable by Christmas time.

The Chamber of Commerce welcomes two new members. Wedgewood Marina and Store is run by Doug & Linda Colbourne and Twin Rocks Resort is now owned by Tom and Melanie Moffat. A hale and hearty hello goes out to these two new members.

Wow! We impressed some visitors last weekend. Representatives from STP were in Wilberforce on Sunday to see the Canadian National Motorcycle Hillclimb. They were so impressed by the event and the support that the community has given to it that even though this was only its second year STP has promised to sweeten the prize money pot enough that next year's event will be the richest on the North American circuit.

TO SEE AND DO

August 17th is the last day that you can visit Art Mart at the Agnes Jamieson Gallery in the Minden Cultural Centre. This fourth annual art and craft show and sale features many fine works of art of local artists. The Gallery is open from 10 to 5 today.

It's fair time again as the Haliburton County Fair comes to the Minden Community Centre and Fairground. This historic fair features a main exhibit building full of agriculture, crafts, sewing, baking quilting and floral displays. There also will be shows of horses, cows, sheep, goats and dogs. Saturday night there will be dancing to music by Whiskey Hollow for which the admission is \$5.00. The parade gets underway at 12 noon on Saturday and winds its way from the Wrightman Realty lot on Main Street to the fairgrounds. Friday night will feature a Kornfest and amateur show at 8 o'clock. All in all it should be a great weekend.

The Leslie Frost Natural Resources Centre just south of Dorset on beautiful Lake St. Nora features two

interesting shows this week. Ornithologist, Ross James, from the Royal Ontario Museum will present a program on August 17th where he will answer questions from the audience as well as present a fascinating slide show on the Birds of Ontario. You should bring your binoculars for the bird watching hike that will take place afterwards. August 18th experts will be on hand to discuss the trees in your backyard and you will be able to learn which trees to cut and which ones to keep as well as which ones to tap and which ones to keep for Christmas. Both programs start at 1:30 p.m. and last approximately two hours. Admission is free.

The newest show at the Agnes Jamieson Gallery opens on August 20th and runs to September 6th. The Andre Lapine Collection will be shown in conjunction with the Haliburton County Fair and is part of the Gallery's own permanent collection. The forty two paintings in the show were left to the municipality by the late Frank Welch. Many local people have wondered when they would next have their opportunity to see the works of Andre Lapine and this is their chance. The gallery is open from 10 to 5 Monday to Saturday and admission is free.

Continuing to September 5th is the show at the Raily End Gallery in Haliburton "Robert Bateman Retrospective". The fascinating exhibit features works from throughout Robert Bateman's life including several current wild life originals. The gallery is open from 11 to 5 Tuesday to Saturday and 1 to 4 on Sundays.

And don't forget this late breaking news item (I just heard about it). The Lions Club is sponsoring a Street Dance on Saturday the 20th in the Dysart Arena parking lot.

To top it off the weather man predicts good weather for the rest of August!

Federation of Ontario Naturalists

While the flight attendant in the pressurized plane cabin explains how to engage the life-saving functions of the oxygen mask, you may look out the window and see a bird fly by. I just did.

Birds have been known to reach altitudes of 26,000 feet. Although the plane I was taking reached a final cruising altitude of 35,000 feet, at which even the hardiest of birds would find it difficult to breathe without assistance, we humans would have difficulty being active on our own at more than 20,000 feet. Only a few of us have

managed to experience the rarified atmosphere of 28,000 foot Mt. Everest, don't forget, and we've needed oxygen tanks to do it.

Recent interest in the soaring heights of birds has in fact been sparked by such ventures of our own. In 1963, a British plane flying at 21,000 feet collided with a mallard duck. Sir John Hunt, while climbing Mount Everest in 1953, noted birds flying at 26,000 feet.

Just as we need more oxygen when we run, birds need more oxygen when they fly. Experiments indicate that the average bird requires eight times more oxygen when flying than when at rest. So how do they survive at altitudes of 20,000 feet in an atmosphere that has half the density and

(more on page 11)

Property

carried out with Gary Vasey.

Kenney said that if the township had been selling the land, rather than including it as part of a larger transaction, that it should have been offered in a tender form.

Clerk-treasurer Elinor Burke told the meeting that the municipality was not required to tender the sale of property owned by the township.

Deputy Reeve Ed Pergolas also noted that an attempt to sell similar property in the municipality two years ago had drawn prices well below the appraised value. That appraisal had been carried out two years ago.

The value placed on the Soyers Lake property in the trade agreement was \$16,000, Reeve McKnight pointed out.

Questions were also raised as to whether the property on Soyers Lake could be built on since it included only 70 feet of frontage on the lake. Clerk-treasurer Elinor Burke said an application to the committee of adjustment would be needed before a building permit could be issued. She pointed out that the provisions of the old zoning by-law are now in effect in the municipality.

Tim Davies and a player from the Parry Sound team jostle for the ball during the Sunday afternoon soccer game in Haliburton. The local team lost to the visitors by a 2-3 margin. Tim Davies scored both goals for Haliburton.

Minden Dixie Lee defeats Wilberforce in semi

Minden Dixie Lee defeated the Wilberforce IGA team twice last week to take the series three games straight. In the first game last week played in Wilberforce, Minden came up big in the fourth inning scoring six runs to Wilberforce's two and went on to win 12-4. Kim Mumford again played well for Wilberforce scoring two runs while Sue Pye led the way for Minden with three runs to her credit. Anne Hewson pitched the win while Sue Musclow was the loser.

In Minden Thursday night, Wilberforce played a strong defensive game but came up short at bat as Minden again defeated them by a 11-5 score. Marg Fielding and Barb Winn had a good night at the plate for Minden and Barb also made some fantastic catches in the field. Nelda Cully picked up the win while Sue Musclow took the loss.

In the West Guilford and Haliburton Seniors series Guilford won 6-4 to take a two-0 lead in their series. Both teams played well defensively but the power hitters of Guilford were too hot for Haliburton to handle. Cheryl Cooper had

a good night at the plate slamming in 2 RBI's and Bev Sisson played strong for Guilford. On Haliburton side of the score sheet Kim Roberts scored two runs, one of which was a home run. Joan McKay took the win while Nancy Maughan was tagged for the loss. Final score 6-4.

Third game was played but ended in a tie so the

game is slated for Monday, August 15.

Play-off set

Minden Dixie Lee will face West Guilford in the 'A' series final. The first game is tonight in Minden.

In the 'B' series Haliburton and the Minden Juniors will battle it out. The opening game in that play-off is tonight in Haliburton.

Origins

Paudash Lake

by Daniel Copeland

Paudash Lake, occupying some 1400 acres in the lower minions of Cardiff Township is one of the many bodies of water in the area that holds an Indian name.

Some Indian names stem from actual phrases in the native tongue. One such example is Coboconk, from Quash-qua-be-conk, meaning Where The Gulls Nest. In the case of Paudash Lake, however, the name comes from an old Indian chief that used to inhabit the area.

At Port Hope, on November 5, 1818, Chippewa from the area, including the Pike,

Snake, Eagle, Reindeer, Crane and White Oak bands signed away their land rights to 1,951,000 acres which included some of Haliburton County. One of the signatures on this document belongs to the Crane Chief George Paudash (or Pahtosh), an ancestor of Chief Johnson Paudash.

Hustlers league champs

The Rockcliffe Hustlers once again won the Tri-County Fastball Championship with a 11-0 swamping of the Lindsay York Tavern sweeping the series in three straight games. This is three of the last 4 years that the Hustlers have been crowned champions. Rick Hartwick and Bernie Nicholls each had three hits while Barry Shaw slammed two home runs. Jack Snell was the winning pitcher.

It was a very successful year for the Hustlers as they had a 12 wins and 2 loss record throughout the schedule and then swept both play-off series in three straight games.

The Hustlers would like to thank the fans who supported them throughout the year.

Members of the championship Rockcliffe Hustler team include, from the left, front row, Dave Dollo, Dwight Sisson, Barry Shaw, Rick Hartwick and Collin Newell. Back row, Gene Newell coach, Bernie Nicholls, Dwight Fountain, Jack Snell, Dave Hartwick, Greg Newell and Neil Burk, coach.

Local teams sweep tourney

West Guilford boys were "Grand Championship Winners" this year in the Rockcliffe Invitational Fastball Tournament with the Minden Rockcliffe Hustlers winning the Consolation Championship.

It was a weather-perfect weekend for the twenty-two game event which started on Friday night and ended on Sunday Night with the two championship games.

The ironic part is that the two champions were the two teams that met in the first game on Friday Night with West Guilford defeating the Hustlers 3-2 in nine innings. Other scores in the tournament were as follows:

First Round

West Guilford 3 against Minden 2; Harcourt 9 against Ecclestons 0; Sutton 9 against Toronto Coasters 4; Bradford 3 against Port Sydney 2; Huntsville 1 against

National Drug 0; Scugog 4 against Mississauga 0; Drive Tavern 4 against Toronto Exports 1; Toronto Cavaliers 2 against Scarborough 1.

Consolation Round

Minden 6 against Etobicoke 1; Toronto Coasters 7 against Port Sydney 0; Mississauga 2 against National Drug 1; Toronto Exports 7 against Scarborough 6; Minden 2 against Toronto Coasters 1; Toronto Export 4 against Mississauga 2; Minden 6 against Toronto Exports 0.

Championship Round

West Guilford 6 against Harcourt 0; Sutton 2 against Bradford 0; Huntsville 4 against Scugog 2; Toronto Cavaliers 5 against Drive Tavern 2; West Guilford 3 against Sutton 1; Toronto Cavaliers 3 against Huntsville 2; West Guilford 7 against Toronto Cavaliers 3.

NOTICE

The Townships of Anson, Hindon and Minden is accepting written applications until 12 o'clock noon August 25, 1983 to fill one vacancy on the Committee of Adjustment. Interested persons are requested to contact the undersigned for details.

Greeting diners at the Dixie Lee Restaurant in Minden, Miss Piggy drew smiles from these youngsters during the Minden Sidewalk Sale. Miss Piggy and her sidekick, Kermit, strolled through the village in the afternoon, greeting the many people who took part in the second annual sales event.

Outdoors

(from page 6)

about half the oxygen of air at sea level? This question is even more perplexing when you consider that birds may require even more oxygen and exert even more effort to keep airborne in thinner atmospheres.

The answer remains a mystery I'm afraid. Exactly how birds accomplish greater oxygen consumption in an oxygen-poor environment isn't fully known. What we do know is that their lungs differ considerably from those of mammals. Among other things, birds' lungs have extra "bags" hanging on the outside of organs. These extra air sacs may increase the area of ventilation, giving the blood stream more points at which it may pick up oxygen.

In addition, birds function well even when the amount of oxygen in the arterial blood stream falls to a level that would distress a mammal. The heart of a bird beats about three times as fast as a mammal's heart, thus the distribution of available oxygen through the bird's system is much swifter.

Council briefs

Items from the August 11 meeting of the Anson, Hindon and Minden municipal council.

Roof repairs

The council agreed to spend an additional \$424 on repairs to the roof of the municipal office.

Garnet Brown, a representative for Tiffany Asphalt International was in attendance to speak to the council. Last year he had been given the contract to resurface the roof.

He suggested to the council that an additional coating of Silver Bright Aluminum would help in the cooling of the structure by reflecting the sun's rays. He noted that the coating also helps to reduce the condensation inside the building.

The contractor said he should have mentioned the treatment to the council last year when they were discussing the roof work. He said he was willing to apply the material at no charge if the council paid the cost of the coating.

Drag races

The municipal council has agreed to a change in date for the drag racing on grass at the fair grounds. The event was originally scheduled for the Labour Day weekend but has been changed to Thanksgiving weekend.

Approval was also given for the operation of a Bavarian garden with the races on the new date.

Photographs

When the municipality employs a special firm to carry out aerial photography in the municipality,

they could also take pictures of your property.

The council has agreed to act as agents for residents who wish to take advantage of the fact the plane will be flying in the area. Requests for aerial photographs will have to be placed with the municipality prior to the time when the aircraft flies over the area.

While the photographs will no doubt be a treasured keepsake for those who order them, they won't come inexpensively. The municipality will be adding a surcharge of \$10 to the price of \$50 it must pay the photographic company. This money will help cover the cost of advertising and administration.

An advertisement, in the classified section, appears in this week's edition of The Times.

Water wasted

The public water tap at the firehall will be shut off each evening.

The decision to shut off the tap at night was taken after reports of abuse of the service were given at the council meeting.

The council was told that some residents were drawing water from the tap for watering their lawns, while others had taken enough water to fill a swimming pool.

The Setting

There is definitely something special about Chinese food. It has to be prepared just right by experienced chefs who know the secret of good Oriental cuisine.

And just that is why so many people are talking about the latest addition to the Highlands dining scene, **The China Village Dining Room** and Take Out in Minden. Since it opened earlier this year, those who appreciate well-prepared tasty Oriental cuisine have discovered they don't have to travel out of the county to enjoy their

favourite dishes.

The China Village Restaurant, located in the Dominion Hotel, provides a complete Chinese menu. Prepared under the careful attention of chef Gary Yee, formerly of the Golden Dragon Restaurant (Elizabeth and Dundas Streets) Toronto, the restaurant features Cantonese cuisine.

The menu includes Cantonese Chow Mein, Chicken Soo Guy, Chicken Guy Ding and everyone's favourite, Honey Garlic Spare Ribs -- tender pork spare ribs, sauteed in a rich honey sauce with just a pinch of garlic. The dish is served hot and sticky.

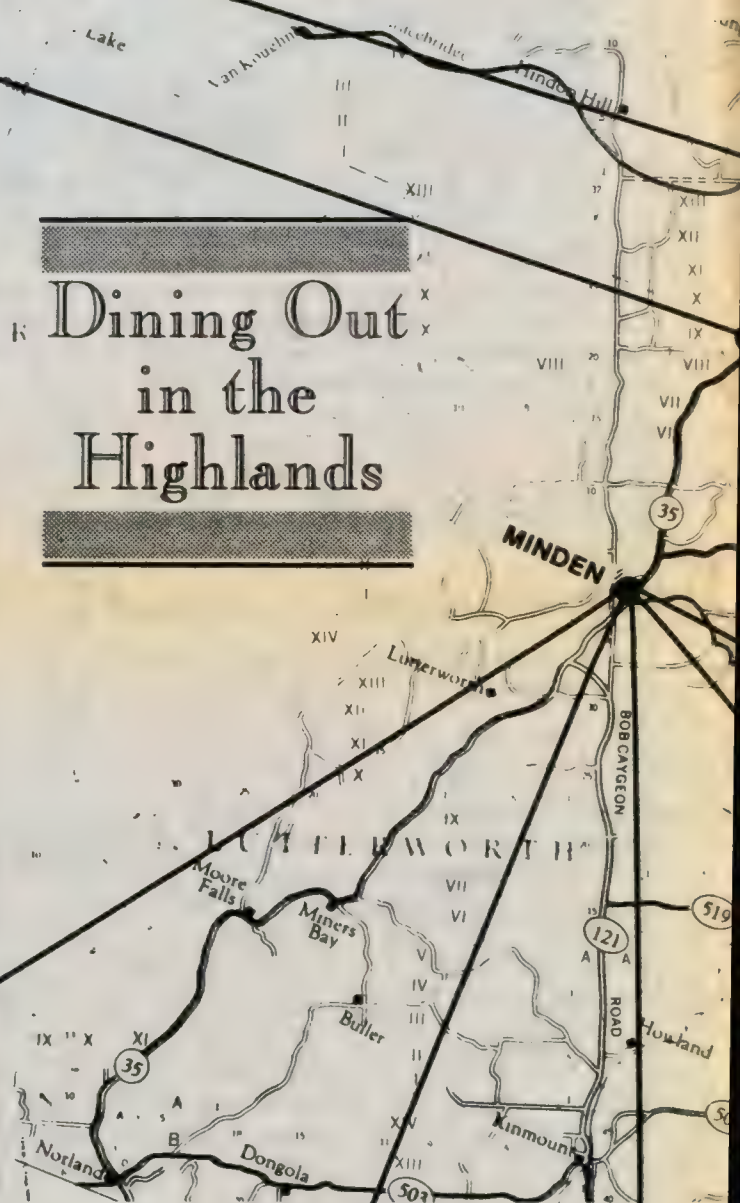

You might wish to try Moo Koo Guy Pan -- tender slices of chicken, sauteed in a combination of mushroom and Chinese vegetables.

Other delicious selections from the menu include Tai Dop Woy, Beef and Chinese Green, Shrimps with Lobster Sauce, and various selections of Egg Foo Young. The China Village also features sea foods and a number of curry dishes.

And of course, all the items on the China Village menu are available for take out. It is best to call ahead to ensure that your food is piping hot and ready to go when you arrive. Call 286-1751.

The China Village Restaurant is open seven days a week from 12 noon to 10 p.m. It is fully licenced. Look for the sign on Minden's Main Street. The operators of the county's newest dining experience invite you in to give Oriental cuisine a try.

Run and ride returns to fair

by Steve Morrin

Once again, the Haliburton County Fair will play host to an exciting and unusual athletic event.

Those fortunate enough to have witnessed it in the past three years will know that I am referring to the fourth annual run and ride race, sponsored by the Rotary Club of Minden.

This grueling eight mile endurance race pits horseman and runner against some of the roughest and most challenging terrain that this county has to offer.

To those not familiar with the format of this event, a brief outline may be helpful. Teams consist of two people and one horse. The race begins with all contestants on foot. At the starting signal, the chosen member will mount up while the other team member will proceed on foot to the first checkpoint.

These checkpoints, complete with hitching rails, will be interspersed throughout the course at approximate distances of one mile. The entire race is eight miles long.

Upon reaching the first checkpoint, the person on horseback will dismount, tie the horse to the hitching rail and proceed to the next checkpoint on foot. Upon reaching the first checkpoint the person on foot will untie his/her partner's horse, mount up, and ride to the next checkpoint. This interchange of rider and runner will take place throughout the entire race.

If this sounds fairly straightforward, I assure you it's not. The course these contestants are about to challenge will take them through as varied and

difficult a route as you are likely to find. The terrain varies from rock-strewn inclines to swamps and bogs.

Faced with such uncertain footing and other obstacles, the winning team last year of Jennifer Batty and Bill Francis on Queen crossed the finish line in the amazing time of thirty-five minutes. This prize winning run, completed in the pouring rain, netted them \$100.00 and a first place ribbon.

Hopefully this has given you a better understanding of the outstanding effort displayed by the participants in this event. We hope to see you there to cheer on these fleet and rugged contestants on Sunday, August 21 at 2:00 p.m. Ask at our registration booth for further details. See you at the fair.

The best little warehouse in Haliburton!!

Riding high in Wilberforce

Organizers estimate that over 4000 spectators were on hand to take in the Canadian World Championship Hill Climb Sunday in Wilberforce. The field below the nearly vertical track was covered with fans who soaked up the sun and cheered with enthusiasm as each rider challenged the hill.

The best time for the day belonged to an Orient, Ohio driver, Tom Reisor who completed the 250 foot climb in 7.2 second. Driving in the 750 cc class, Reisor in addition to being named champion, was the only rider to be seriously injured. As he cleared the hill on his successful run, the nitro powered machine became airborne and he came crashing down on top of it breaking his leg in two places.

Other finishers in the 750 class included Doyle Difbennett also from Ohio at 7.44 seconds and third Randy Gabriel, from Ohio as well, at 7.49 seconds. Canadian champion and local favourite John Williams finished out of the money in fifth spot with a time of 7.86 seconds.

The top three finishers in the 500 cc class included: Robert Krauter of Michigan at 7.68 seconds, Rod Riddle of Ohio at 7.99 seconds and Ralph Kreeger of York,

Pennsylvania at 8.2 seconds.

The hill climb, the only event of its calibre in Canada, is scheduled for the Wilberforce site once again next year.

Farm association report

- by Ernest Hills -

Well, it's fair time, and in an exciting and innovative change of pace the Farmers Association has amalgamated its 'farm tour' concept into a informative and entertaining display at the Haliburton County Fair in Minden. This will mark the first time the Farmers Association has taken such a direct step in participating with the fair board, in demonstrating the growth and momentum of agriculture hereabouts. Let's hope such co-operation can continue in the future, with the Farmers Association participating actively in a constructive way towards a bigger and better county fair.

The agricultural display will conceptually evolve around the fair's theme of 'the old and the new', with a wide range of farm livestock on hand, machinery displays, and other agricultural-related items. Where manpower allows members of the association will be on hand to answer

questions and provide information to the general public.

As well this year the Haliburton County Farmers Association will be presenting a float in the parade, once again to demonstrate the over-all theme of the fair with 'the old and the new'. As in the past, the Farmers Association will be sponsoring two competitions in the fair this year. The 'vegetable collection class', featuring a display of five varieties of vegetables, and a 'first cut hay class', with competition based on two 'flakes' of hay. Entrants in these two classes must be members of the Haliburton Farmers Association.

See you at the fair!

Owing to the wet spring and late start to many of the market gardens in the area, those participating in the farmers market every Saturday morning, have requested the market be continued thru the early part of September. My personal

thanks go out to those who have kept the market alive through these difficult conditions, with sales of baked goods, eggs, wood, and syrup products.

Fresh produce has been hard to come by owing to the poor growing conditions this year, so let's hope for a specially good autumn recovery, and a prosperous market through September.

Dates to remember:

August 20 and 21: The Haliburton County Fair, Minden.

September 6: at the Stanhope Library, 8 p.m. with Graeme Hadley of the Ontario Cattlemen's Assoc. regarding non-refundable licence fees under the Beef Marketing Act.

September 2, 3 and 4: The Kinmount Fall Fair, Kinmount.

September 11: 2 p.m. The Haliburton Highlands Goat Society meet at the the community hall in Gelert. Topic: Breeding to registered stock; or, bluebloods of the udder set!

MISSING PRESUMED SWIPED

On Saturday, July 30: Grey red lined box 10" square containing 19 piece silver dessert cutlery set for 6. Unusual handles of black and red enamel and gilt in form of Peacock Heads. Made in Lebanon and marked in Arabic. Valued wedding gift - reward for information leading to return - no questions - third party call: Caryl Douglas, 286-3115 or The Times, 286-1288.

NOTICE

Dr. Purc's office will close
Friday, August 19 for 3 weeks
Re-opening
Tuesday, September 13.

SPOT THE SHOT

We thought picture number six would stump a number of our readers, and we appear to have been correct. Except for a highly dedicated group of dam watchers or spot the shot aficionados, the photo featured in this contest went unidentified. Several participants thought the scene was that of the Minden Lake dam. Contest number six showed a picture of the Big Hawk Lake dam. The feature below the dam we were asking you to identify was the log chute which has been reconstructed by Stanhope Township. The winner this week, and a second time winner this summer, is Lorna Hicks. She added a note with her entry, commenting on how much she enjoys the contest and the \$25 prize from Red and White. Other entries with correct answers included: Don Hicks, Dave Farrell, Diane Cowen, Marjorie Cowen, Alvin Cowen and Bob Barclay. Thanks to everyone who took part.

This week's photo, we feel, will also be a bit of a tough one. The view seen above is not that easily accessible, even though the waterfall provides a picturesque scene. The penstock to the right might offer you a clue. As always, the prize this week is a \$25 certificate redeemable at either Minden or Haliburton Red and White Foodmasters. Send your entry to Spot The Shot Contest, c/o The Times, Box 97, Minden. Don't forget to include your name and address and mark contest number 8 on your entry. The deadline for entries is August 29. The winner will be announced in the August 31 edition of The Times. Good luck!

The Times

Thanks everyone who helped make Friday's Sidewalk Sale a success. In particular we would like to thank Earl Kent and Brian Sisson and and their staff of the municipality for their help in preparing Main Street, Cal Wilson and Ontario Hydro for the use of the rope, Helen Lowe, Ed Hink, Carol Jokanovich, Petra Brouwers and Andre Bouchard who helped bring Miss Piggy and Kermit to life, the B.I.A. for the balloons, Paula Solway for her help on Main Street, the participating merchants and many shoppers who took part. Watch for a bigger and better sidewalk sale next year.

Just another summer
fling...

or a lasting
relationship??

It's been great...
there is no doubt about that.
Over the past month or more, we've
come to know each other pretty well, meeting
once a week at your favourite spot, enjoying
quiet moments alone back at your place.

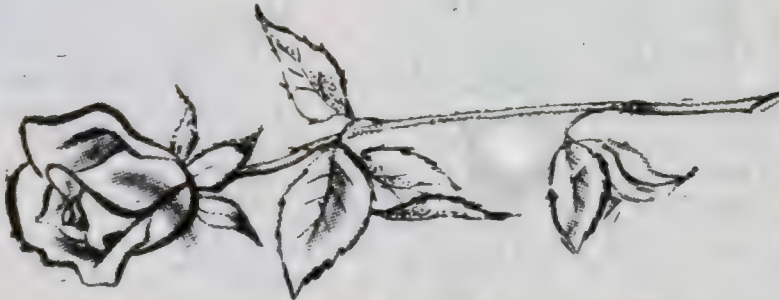

What more can I say?

And now...you're leaving, heading back to the
city. Oh sure, we're likely to meet on the
occasional weekend but it won't be the same
— not like it was this summer.

Keep in touch with Haliburton County all year
round with a subscription to The Times.

Order yours now, before heading home.

After all, it's been a beautiful summer.

Dear readers:

The weather has been so bloomin' hot but they say it's getting better so guess I'll just take a chance shot and write this letter. So warm for the Chapel service Sunday night not too many there.

Harold Thompson read the lesson, Alice lead in prayer, Rev. Burgess took his text from Matthew sixteenth chapter, verse twenty-one. Jesus and his disciples he had this to say. He would suffer many things, he was killed and rose again the third day.

Doris showed us real interesting films Monday night, Waterways to Explore, Island Eden, and Birds Galore.

Carl Dugan is back from two weeks holidays to the same old grind, he said it wasn't much of a holiday he worked most of the time. Jack Shaw who has been on holidays just came back today, different ones filled in for him while he was away. Nurse Griffin has been on holidays, she seemed so glad to go. She is just as glad to be back again, she missed us children so. And head nurse Melinda Wood has this report, the holiday was lovely but the time was just too short.

Tuesday afternoon was games time, we played but didn't win. Fred Parker was my partner but we will try again.

It is nice to have Linda back again with that cute little smile and dimples in her cheek. She had been away a week.

Millie Wood had a nice time Sunday, we always miss Millie when she is away.

Tuesday morning Rev. Wicks from Minden Gospel Church conducted the service in the Chapel this lovely August day. He gave us a real interesting message on happiness, Agnes came to play.

We have a new resident, James Iles came to live at Hyland Crest, we welcome him we know he will fare the best.

It was nice to have Al and Lil Rawlins with us again, but they tell us they haven't long to stay, in just a few

days they're away.

Doris played baseball Saturday night and her team won, but Doris hurt her ankle which wasn't much fun.

If you are visiting here, you must drop down to the carpenter shop to see what Angus Coulter has on display, something he works at most every day. He takes old furniture, makes it look like new - chairs, tables, and what have you, he does a fine job you can see at a glance, so be sure and drop down when you have a chance.

We have a new nurse on our Nursing Staff, her name is Gladys Bowman. She is not afraid to work as you can plainly see. The Baptist ladies from Kinmount brought in this lovely lunch this Thursday afternoon, and not only served it so nicely but played and sang some good old tunes. We wanted somehow to repay, so we played them some nifty tunes before they went away.

We have a new helper in our dining room, her name is Nelda Darby. She is doing a real good job, and seems quite hale and hearty.

Doris took some of the residents in the bus to the flower show. They said it was lovely, we didn't go. The Fred Ballards are back from holidays where they spent three weeks or so. He said he did the driving, his wife put up the dough. Friday afternoon our sing-song took a different twist, guess who we had Grace Coburn to assist. Well it was the lady of great renown who has a letter in The Times and went around our County Town. She also writes poems that are really fine. She and Grace sang together, we had a jolly time. And by the way, Fred Ballard the music did play.

Heart of love. There is beauty in the forest, where the trees are grown and fair.

There is beauty in the meadow, where wild flowers scent the air.

There is beauty in the sunlight and the soft blue above.

Oh the world is full of beauty, when the heart is full of love.

kid's korner

by Jean Lacey

Hi Kids!

Here is another puzzle for you with a word list. Look in the diagram of letters for the words given in the list. Find them by reading up, down, forward, backward and diagonally. They are all in a straight line and do not skip letters. Some have hidden words or sayings, some do not. Circle the words in the diagram and cross it off in the list.

It's as easy as that. Have fun.

NOTICE

Notice is given pursuant to Section 34 of the Planning Act, R.S.O. 1980, that the Council of the Townships of Anson, Hindon & Minden at its meeting to be held in the Municipal Council Chambers, Milne Street, Minden on THURSDAY, September 8th, 1983 proposes to pass by-laws to amend zoning by-law 14-67 as follows:

1. The permitted use of a parcel of land in part of Lot 3, Concession A for the Township of Minden owned by Leonard and Helen Box be changed from those allowed under Section 7.1 'General Commercial A', to those allowed under Section 5.7 'Residential A' to permit apartment dwellings together with a medical practitioner's office; and

2. The permitted use of a parcel of land in part of Lot 1, Concession A for the township of Anson owned by Jeanette F. Payne be changed from those allowed under Section 5.1 'Residential' to those allowed under Section 7.1 'General Commercial A' to permit the operation of a Real Estate Office.

AND FURTHER TAKE NOTICE that before passing said by-laws at the aforementioned meeting the Council shall then and there hear any person who attends the meeting to make representation in respect of the proposed by-laws.

DATED at MINDEN this 10th day of August, 1983.

Elinor Burke, A.M.C.T.
Clerk-Treasurer
Townships of Anson, Hindon & Minden
Box 98, Minden, Ontario K0M 2K0
(705) 286-1260

Further information, if required, may be obtained from the Municipal Offices during regular office hours.

CORPORATION OF THE TOWNSHIP OF STANHOPE

Public Notice

TAKE NOTICE that the Council of the Municipal Corporation of the Township of Stanhope proposes to enact a by-law to stop up, close and convey those parts of the original allowance for road set out and described as follows:

FIRSTLY: All and Singular those certain parcels or tracts of lands and premises situate, lying and being in the Township of Stanhope in the County of Haliburton and being composed of part of the original sixty-six foot shore road allowance along the shore of Boshkung Lake, lying in front of part of Lot 9 Concession 3 and part of Lot 10 Concession 4 and being more particularly described as parts 2, 5 and 8 on a Plan deposited in the Registry Office for the Registry Division of the County of Haliburton as Plan 19R 2874. A COPY OF THE PLAN OF SURVEY as noted may be viewed at the Township of Stanhope Municipal Office during normal working hours.

The proposed By-Law will come before the said council for consideration at its regular meeting at the Municipal Office in the Township of Stanhope, on the 14th day of September, 1983 at the hour of 11:30 a.m., and at that time, the Council will hear in person or by his counsel, solicitor or agent, any person who claims that his land will be prejudicially affected and who applies to be heard.

DATED: August 5, 1983.

Gerald C. Bain, A.M.C.T.
Clerk of the Corporation
of the Township of Stanhope

around the county town

by Yvonne Guida

A very happy birthday to Helen Tagert of the Fireside Restaurant who celebrated her birthday on August 9. Many, many happy returns of the day Helen.

Lyle Bebensee, formerly high school teacher in Haliburton, now of Oakville, dropped in for a pleasant chat last week.

Mr. and Mrs. Cyril Kidds of Neepawa, Manitoba, visited Joyce Hewitt last week (Joyce is Edith's cousin) and Edith had a great visit with other cousins in the area, last week.

The Thrift Shop at St. Paul's will again be open this Friday. The Shop had a great day last week. The hours for the shop are from 1:30 to 4:30 p.m.

Joan Waters, from St. James Church in Midland, on her way to a cottage at Kennis Lake, dropped in to say hello and sends all her greetings to the parishioners at St. Paul's Church.

I apologize for putting the Dollo's party on Saturday instead of Sunday, last week.

Congratulations to Sherry Gilbert who won the snowball at Rotary Bingo last Tuesday in 21 numbers - amount was \$104.

Mr. Jack Monk of Hanover, celebrated his 85th birthday, by driving up to the Gordon Monk's last week. It was a double celebration as it was his granddaughter Kirsten's birthday also. Our very best wishes to them both.

The winners of the Museum card party last week are as follows: lone hands - Irene Houghton, others were Frieda Harrison and Lottie Edwards. Winner of the craft draw was Grace Turton.

I am sorry to report the deaths of Mrs. Doris Welch of Kinmount, Mr. Melvin Switzer of Minden, Mr. Warner Casey of Minden

and Mrs. Peggy Edwards of Lutterworth Estates. Our deepest sympathy to their families.

The Deckhand Puppets will be performing again at the Minden Cultural Centre on August 25 at 3 p.m. Do bring the kiddies for this free show, it is most enjoyable.

On August 24, a Peace Meeting held by "People for Peace" will be held at 8 p.m. in the Community Centre, Upstairs in the Arena in Minden. The movie, "If you love this Planet" by Dr. Helen Caldicott, chairman will be shown. Dr. Norman Alcock, International Peace Advocate will be guest speaker. Dr. Clarke Macdonald, Moderator, United Church of Canada. After the discussion, coffee and cookies will be served. Everyone is welcome.

On Sleep

The wind from the north howled and roared.

And again he blustered and cursed,
Sending his shafts of silver over the land
A land that was dark with sorrow.
And though he blew and whistled
And reigned his white stallions
Trying to hold their mad rush
And frothing, whinnying
I heard him not.
For deep within my box

I dreamed.
Dreamed of that one small shining hour:
Hour of ecstasy
A moment that was meant to be
When I was me.
And so while the north wind raged and howled
I heard him not -
For I was safe
Within my leafy bower, I slept
For there I was me.
And rage was no more!

Yvonne

CARD OF THANKS

On behalf of my brother Frank and my sister Mary, from Freeport, Long Island, and myself, we wish to thank everyone in Minden for wishing Mother well on her 100th birthday, June 20, 1983. She is resting comfortably in Her Lady of Mercy Health Centre and sends her love.

Lee Oster

As the weekend of August 19 - 21 draws closer, the Directors, Chair-people, committees and volunteers work harder and harder toward completion of the 119th Haliburton County Fair.

Although the majority of events are "all-systems-go" we regret to inform you that the Haliburton County Fair Queen competition will be cancelled. Unfortunately, we have had little response as far as contestant registration and equally little response from business-people county-wide.

I would like to take a moment and thank those businesses that did respond to my letters - Red Umbrella Inn, Jay Lake Tent and

CARD OF THANKS

Trailer Park, Dominion Hotel-China Village, Rockcliffe Hotel, Mabel's Cut 'n' Curls, Miss Nora Hairstyling, Carnarvon Lumber and Carnarvon Farmer's Market. Your offers of donations and enthusiasm are greatly appreciated.

On behalf of the Minden Agricultural Society and the Fair Queen Committee we extend an invitation to you to join us at the Fair!

Mary Lou Johnson
Chairman
Fair Queen Committee

On behalf of the "Flower Show Committee" I wish to thank Mrs. Pat Campbell for the demonstration of flower arranging at our show. Thank you to all members who participated and to all the Minden merchants who donated so generously. Cox's Apparel, Minden Home Hardware, Mae's Country Mart, Coneybeare's Butcher Shop, Highland Plumbing, Corner Store, Bill Roodenburg, Dixie Lee, R. Case Realty, K. & W.
